PUBLICATIONS & REPORTS LIST 1965-2000

The following is a list of books, reports, articles, and topical papers written in whole or in part or edited by Arlon R. Tussing, produced under his direction or with his collaboration, or produced by principals of Arlon R. Tussing and Associates Inc. [ARTA Inc.] from 1965 through 2000. They deal with oil and natural gas, fisheries, and other natural resource industries, electric and other public utilities, national and regional economic development, international trade, and public finance. Authors and co-authors of works in this list, in addition to Tussing, include Connie C. Barlow, Gregg K. Erickson, Susan R. Fison, David B. Hatcher, Lois S. Kramer, Samuel A. Van Vactor and others, and are indicated by brackets {} preceding the reference. Institutional sponsors, in addition to ARTA Inc., have included the University of Alaska Institute of Social and Economic Research, the Federal Field Committee for Development Planning in Alaska, the United States Senate Committee on Interior and Insular Affairs, the Alaska Legislative Affairs Agency. These and other organizations or firms are typically shown with individual entries.

Inquiries about listed University of Alaska publications should be addressed to the Institute of Social and Economic Research, Anchorage AK 99508; (907) 786-7710; fax (907) 786-7739; or <http://www.iser.alaska.edu/publications/pubs.htm>. A shorter list available from this source, *Alaska-Cambridge Papers on Northeast Asian Energy* [2 pages] focuses on recent and forthcoming publications on energy economics in and affecting East Asia, Alaska and/or adjacent regions.

Information on how to obtain copies or reprints of other listed books and public documents, including most out-of-print references, can be obtained by communicating with Ann Kalberg at Arlon R. Tussing and Associates, Inc., (ARTA) at P.O. Box 1380, Mercer Island, Washington 98040, or by e-mail via tussing@halcyon.com.

A list of clients and sponsors of research appears at the end of this Publications List.
