Northern Gas Pipelines is one of the oldest energy blogs in North America. Its archival material includes news, commentary, research, maps, photos and presentations going back to the late 1960s. NGP is the creation of Dave Harbour, NARUC Commissioner Emeritus and Chairman Emeritus of the Alaska Oil & Gas Congress. www.northerngaspipelines.com

Arctic Gas Symposium, Calgary: Sponsors & Partners

Sponsored by:

The Arctic Institute of North America (AINA), located at the University of Calgary is celebrating its 70th Anniversary in 2015. AINA's mandate is to advance the study of the circumpolar Arctic through the natural and social sciences, the arts, and the humanities. The Institute publishes an interdisciplinary journal Arctic, operates the Arctic Science and Technology Information System, and maintains the Kluane Lake Research Station. <http://arctic.ucalgary.ca/>

Exhibit Sponsor:

ATCO Structures & Logistics offers temporary and permanent shelter solutions and operational support services worldwide, including workforce housing, portable offices and trailers, modular facilities, site services, and facilities operations and maintenance. With sales offices around the world and manufacturing facilities in Canada, the United States and Australia, the company has the expertise to deliver a turnkey solution anywhere it's needed. www.atcosl.com

Industry Partners:

Aboriginal Business Quarterly is the first business magazine of its kind in Canada. Our content goes beyond simply telling stories that entertain to delve into industry best practices and how-to-style reporting aimed at assisting Aboriginal business leaders and entrepreneurs – as well as their partners, suppliers, customers and the politicians whose decisions influence the legal and regulatory landscape in which they operate – as they look to strengthen their ventures going forward.

Worldoils is a company that combines the power of marketing as well as the in-house expertise for the Oil, Gas, Offshore and the Maritime industries. Worldoils' web portal www.worldoils.com has become a truly central platform for visitors who need information regarding oil and gas products and services, research, training, conferences, news and events as well as a popular advertising base for providers of Oil, Gas, Marine and Offshore services. Worldoils has also launched the jobs system and a marketplace. In the recent months, Worldoils has strengthened its position as a fast developing central place for buying and selling of land rigs, offshore rigs, barge rigs and other oilfield and subsea equipment.
