

*A University of Alaska North by 2020 Forum /
International Arctic Research Center Seminar Series
**Defining Risk in Arctic Coastal and Offshore Resource Development:
Perspectives and International Standards**
Spring Semester 2011*

Preventing Success from Breeding Complacency

Jeffery Loman

Deputy Regional Director, BOEMRE

Jeffery Loman has served as the Deputy Regional Director of the Bureau of Ocean Energy Management, Regulation and Enforcement (successor to Minerals Management Service) Alaska Region for almost 4-years. Before that he was the Chief, Natural Resources, at the Bureau of Indian Affairs for 10-years. Jeffery is a former U.S. Navy Aquanaut and Explosive Ordnance Disposal Mobile Unit Diver – spending 20-years in “high risk” environments. Loman is a Harvard Senior Fellow and completed the Department of the Interior’s Senior Executive Service Candidate Development Program in 2005.
